Plenary Council 2020

The six themes that have been discerned as 17,000 peoples' responses to the question 'What is God asking of us in Australia at this time?' are now published in six booklets offered for our reflection. Each week there will be a small quotation to encourage you to explore these booklets on line at <https://plenarycouncil.catholic.org.au/continuing-the-journey-of-discernment/>

This week the quote comes from the theme: How is God calling us to be a Christ-centred Church in Australia that is OPEN TO CONVERSION, RENEWAL AND REFORM. Within the church in Australia, renewal demands a culture of change: from power to service, from dominion to communion, from a triumphalist Church to a "Church is poor and for the poor" Pope Francis.

Around the grounds

The area under the sail cloth has been cleared out ready for a remodel. We are working on a reflection garden a place that is available to anyone who would like a nice quiet place to sit and or perhaps read a book from our new library. The stage is staying and maybe we can use it in some way in the near future. Hopefully the garden area will be ready by the parish BBQ so you can check it out.

The car park is also having a revamp now that the transportables have gone. Some trees that have been causing problems have been removed and with a good tidy up the area will look much better. The car park lights are being changed to solar lights – to help with efficiency. Men's Shed are looking at options to relocate, with the possibility that they will move to a new purpose built shed in the car park area. The Columbarium is also having a tidy up. Thank you to the volunteers who are working on these projects. The work you are doing is very valued and we thank you for your help to beautify the parish grounds.
